2nd International Conference on Computer Vision, High Performance Computing, Smart Devices and Networks(CHSN-2021)
20-21 August, 2021

CHSN-2021

JNTUK KAKINADA

About the Conference

Jawaharlal Nehru Technological University Kakinada (JNTUK), Kakinada, Andhra Pradesh feels immensely proud to organize 2nd International Conference on Computer Vision, High Performance Computing, Smart Devices and Networks, CHSN-2021 by Department of Computer Science and Engineering during 20-21, August 2021. The Prime focus of the conference is to encourage enthusiasm among researchers, academicians and the scientists of premier research laboratories across the globe to submit and present the basic and applied work in various specialized fields like Communication Engineering, Information Theory, Signal, Image and Speech Processing, Wireless and Mobile Communication, Internet-of-Things and Cyber Security etc., The main objective of the conference is to bring researchers together on to a common platform to acquire the knowledge, discuss and share the emerging trends which help in achieving the best results. Hence, we solemnly invite all to join and get acquainted with recent advances and trends in the fields of Computer Vision, High Performance Computing, Smart Devices and Networks.

Technology, Amalapuram

Call for Papers

Computer Vision:
Recognition: Detection, Categorization, Retrieval
Image and Video Synthesis
Optimization Methods & Medical Image Processing
Intelligent Surveillance Systems
Document Analysis and Understanding
Computational Intelligence & Remote Sensing

High Performance Computing:
Neuro and Quantum Computing
Green Computing
Data Mining and Searching
HPC Security, Authentication, Access Control
Software Development Tools and Support
Bioinformatics and Bio Computing

Smart Devices:
Artificial Neural Networks
Machine Learning & Deep Learning
Natural Language Processing
Internet of Things & Cloud Computing
Block Chain Technology & Big Data Analytics
Precision Agriculture & Smart Farming

Networks:
Network Architecture and Security
Smart Networks for Rural Development
Wireless Sensor Networks
Mobile Adhoc Networks
Software Defined Networks
Cyber Security and Digital Forensics

And any related fields

All the accepted Papers will be published with

Springer

"Lecture Notes in Electrical Engineering"
series (https://www.springer.com/series/7818).

Papers can be submitted through Easy Chair Link
